

## Professor Dr. Abu Yousuf Md. Abdullah Conferred with Prestigious D. Litt Degree Alongside Sir Ratan N. Tata by Techno India University, India.

In a momentous event that resonated with honor and recognition, Professor Dr. Abu Yousuf Md. Abdullah, Chairman of Northern University Bangladesh Trust (NUBT) and a distinguished professor at the IBA of the University of Dhaka, Bangladesh, was recently conferred with an honorary D. Litt. degree by Techno India University in West Bengal. The significance of this accolade reverberates not only across academic circles but also within the realms of education, business, and social welfare.

This prestigious recognition stands as a testament to Professor Abdullah's remarkable contributions in various domains. From his steadfast dedication to education to his profound impact on the business landscape and social well-being, Professor Abdullah's journey has been nothing short of inspiring. His dynamic presence and transformative initiatives have left an indelible mark on both national and international fronts.

The honorary degree was presented to Professor Abdullah during Techno India University's convocation ceremony on August 10, 2023. The honor was bestowed upon him with the approval of the India University Grants Commission (UGC), solidifying the authenticity and prestige of the award. Sharing the stage with luminaries such as Padma Bhushan and Padma Shri awardee N. R. Narayana Murthy and former BCCI president Sourav Ganguly, Professor Abdullah was recognized alongside the founder of Tata Sons, Mr. Ratan N. Tata. The grand event took place at the iconic Bishwa Bangla Convention Center in Kolkata.

In his acceptance speech, Professor Abdullah eloquently encapsulated the sentiment of the occasion. He referred to Kolkata as the heart of freedom-loving Bengalis and expressed his pride in being a Bengali. He gracefully acknowledged the love and respect bestowed upon him by the audience, acknowledging the deep-rooted connection he feels with the Bengali community. He went on to underscore the rich heritage of the Bengali nation, hailing it as one of the greatest in the world. His words resonated with a sense of humility and admiration as he paid homage to the valiant efforts of Bengali revolutionaries.

The honorary D. Litt. degree serves as an emblem of Professor Dr. Abu Yousuf Md. Abdullah's unwavering dedication, extraordinary accomplishments, and the legacy he has crafted. His journey from academia to entrepreneurship has been punctuated by milestones that continue to inspire generations. As we celebrate this proud moment, we are reminded of the profound impact one individual can have on education, business, and society as a whole. Professor Abdullah's journey is not just a story of personal achievement, but a narrative of empowerment, progress, and the boundless potential of human endeavors.
